The power of natural thinking

Editorial

Hello to everyone and welcome to the February/March edition of the Southwest Bulletin

By way of introduction I am Rick Wright and I will be the new editor of the Southwest Bulletin. I have taken this on to give Sharon back some of her valuable time and to be able to contribute to the Lake Pedder Anglers Club.

While my family and I have only been members for a little over twelve months the fishing and camaraderie of members has made Lake Pedder one of our favorite places to be.

As members we can all help in some way to support our president and committee to make all of our club events a great success for everyone to enjoy. All too often the organisers of an event don't have the time to enjoy their own efforts as the work load means they are working while we are fishing. Let's continue to support our committee at all future club events and ensure everyone has the opportunity to enjoy the event.

One way we can all help the club is to support our sponsors I would love to hear about your experiences with our sponsors whether you are buying tackle, tyres, selling a house or having your outboard serviced make a call to our sponsors first then let me know what the outcome was so we can share your experience with others.

We would also like to hear about any recipes, items for sale, a good story or anecdote or anything of interest to club members in general

Rick Wright

Steve Foster – Gone Fishing

Photos taken during stocking of club pond for the first time

Back to Pedder 2013

Sadly Steve passed away on Wednesday 12th February. Steve bravely fought his battle with cancer and many of us noticed he was caring for those around him as much as he could until the very end.

Steve has been a loyal club member who will be sadly missed. A special project he worked tirelessly on for over the past 3 years was to establish our club pond. His enthusiasm and dedication kept him overseeing this until only recently. We are forever grateful for his efforts which have resulted in ensuring disabled people, disadvantaged youths and children suffering from cancer will get to experience a fishing opportunity into the future.

Lake Pedder Anglers Club would like to pass on their sincere condolences to Julie and the family. He will be sadly missed but fondly remembered.

LPAC Committee report

This year the committee has been meeting monthly on Wednesday night on the second week of each month at 7pm at the Glenorchy RSL club. Many of us are there from 5.30 pm onwards to have a meal and catch up prior to the meeting. Thanks to the members who are now coming along regularly to these meetings and offering ideas for the club to help our committee. New faces are always welcome.

At present members of the committee continue to liaise with Hydro regarding a caravan park at Strathgordon. Another group are reviewing how our competitions work and the equipment we have in order to streamline workloads on competition days. Others are working on applications for funding grants for the club and confirming sponsors for 2015.

Help needed.....you don't have to be on the committee to help the club. We have many members working alongside the committee, some come to every meeting others just catch up with a committee member by email or in person, and some things these people are working on are; assisting with preparing for club pond days and taking on the newsletter editor role.

Help is really needed this year, Sharon and Natalie have worked hard for the club for some time and this year their workloads away from the club have increased so we need some new people to come forward.

We are asking for volunteers to help prepare for the June competition and Annual Dinner. Help is also needed to arrange the children's activities for our June competition.

Also if there is a member out there that can assist Sharon to keep the website up to date this help would be appreciated.

Matthew Mallinson

President LPAC

Eddie Wigston Memorial

Numerous members from LPAC fished the Eddie Wigston Memorial. About 15 members camped at the middle boat ramp at Lake Echo for two nights. Tom Rowlands celebrated his 18th birthday around the camp fire on the first night. We caught some good fish and lost even better fish over the weekend! The heaviest fish caught by jnr and snr were both by LPAC members Dylan Loh 925 gm and Paul Browne. 1.615 kg There was 181 fish caught and 116 people fishing the competition. It is good to see more of our members there each year as this is an event that our club sponsors annually. We all had a great time and plan to do it again next year.

Lake Pedder Anglers Club Pond

Fishing Day Saturday 5th April at Ouse

The club is inviting members and sponsors to fish for very large Rainbow trout and Atlantic salmon with camp quality families hosted by LPAC on Saturday 5th April 2014

Other Stuff

Congratulations to Peter and Mel Glowacki and family on arrival of Peter Junior

We are seeking donations of toys for the chalet toy box if anybody has some pre loved dolls, Lego, cars etc. Please let us know and we will organise for it to be picked up and taken to the chalet.

During the Back to Pedder competition Jack Inglis lost a walkie talkie Oricom brand if anybody found it please contact Rick it is a much missed toy (one of a pair).

STLAA Dinner

Nominations for best club in STLAA and certificate to angling awards (awarded to individuals for services to angling) are open now and these awards are decided by the STLAA special committee and are given out on the night. Nomination forms can be obtained through Sharon and are to be emailed to Neil Pinkard secretary of STLAA.

Held at Polish club new town at 7pm on Friday 20 June with guest speaker during dinner Mike Stevens. Door prizes and raffle on the night Price is \$30 a head and kids are half price a two course meal, roast meats, vegetables, salads and dessert.

RSVP to Sharon by 7 May with numbers for the Pedder Table

GARAGE SALE

If you have anything for sale you would like to advertise on this page e mail the details to Rick at newbuild@live.com for inclusion in the next newsletter

HELP WANTED

Can you help out at any of our club events?

We need helpers who can: Organise and run children's activities - Assist with June Comp and annual Dinner Assist with the club Website - Run a knot tying and tackle set up class for our younger anglers

If you can help with any of the above or perhaps you have a few spare hours of time but are not sure how you can help contact Rick Wright (newbuild@live.com) or Sharon Mallinson (lakederderanglersclub@bigpond.com)
